GATHER FOR FOOD

In Korea you don't ask a friend how they are. You ask 밥 먹었어? — have you eaten? That's the whole idea behind our name.

MADE HERE. EVERY DAY.

직접 만듭니다

Every sauce is built in our kitchen from whole ingredients — gochujang blends, bulgogi glaze, buldak, the lot. Our noodles, our pastes and our toppings are made in house. **No artificial flavours.**
No artificial colours. Nothing from a packet. If it tastes bold, that's the cooking — not an additive.
